What a wonderful start to the term. Woodpeckers have created the river Nile as part of their stunning start to their Egypt topic. Robins have become pirates and I've heard some lovely shanty singing coming from their classroom on their journey to Treasure Island! Owls have taken part in Safety in Action this week and have been working on completing the kit car ready for the Uckfield races later this term. Kingfishers have begun exploring the Amazon and created some impressive models of the rainforest for their stunning start. Our Christian Value for this week

Sports Day

It was lovely to see so many families at the Sports Day event this week. The weather was just perfect and all the children took part in the range of activities. It was great to see all the pupils working so well together in their teams and

supporting each other to do well. The races went well and children showed real sportsmanship competing to do their very best and we saw some impressively close races. The winners in the team events this year were the Jaguars. Well done Jaguars great team work!

Thank you to all the staff and to Mrs Hart who organised the event and to our FOBs team for providing the refreshments and lollies for the children. Well done to everyone! It was a wonderful afternoon.

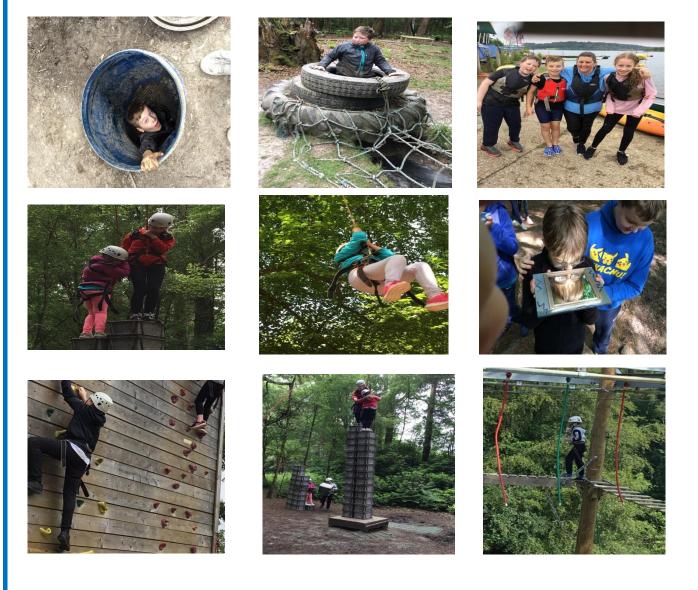

Year 6 residential

We welcome back our year 6 pupils this week after their week at Hindleap. The pupils and staff said that they had an amazing time and enjoyed all the activities at the centre. We were so proud of all the children who showed great team work, co-operation and resilience during the week, and it was lovely to join the pupils from Buxted School where new friendships were made as they took part in the challenges together. Thank you to Mrs Ball, Mrs Stapley, and Mrs Whitmey who gave up their week to look after the children. Mrs Wilson, Mrs Radford, Mrs Packham and Mrs Ruane joined the group for one evening during the week and organised some activities to give the staff a well- deserved rest. Everyone looked exhausted on their return back on Friday and we had to wait until Monday to hear all about their adventures during the week. As you can see from the photos a very successful week with lots of smiley happy faces! Year 5 pupils are now very excited for their chance to experience Hindleap later this term.

Beat the Street

A fun, free game that will see towns and villages across East Sussex transformed into a giant game! See how far you can walk, cycle and run in just 7 weeks.

Play the game from 6 June - 25 July 2018 and register to win prizes for yourself or join a team to win team leader board prizes.

Beat the Street Village Challenge

Beat the Street is returning to East Sussex and this year you can take part in the Beat the Street Village Challenge! Each weekend we'll be taking over two villages within the county, placing three of our special sensors called Beat Boxes on lampposts. You can earn points by swiping the Beat Boxes with a Beat the Street card or fob as you walk, run or cycle between the sensors.

Villages will compete against each other to see how far they can travel over the course of the weekend and how many points they can earn together. The points earned will contribute to the village's overall total. When the game ends in July, we'll announce the most active village in East Sussex! The school in the winning village will receive £500 worth of sports and fitness vouchers and the villages in second and third place will receive trophies.
